

## SCHOOL ATTIRE--CHILDREN'S HOUSE

School Uniform Guidelines: The appearance of students contributes to a positive attitude toward learning and behavior. It also speaks volumes about our school culture to the visitors and prospective parents who visit our school. **All students are expected to wear the OFFICIAL school uniform on field trips, Mass days, Eucharistic celebrations, and all school prayer services** from the first day of school until school closes, unless permission is given for special circumstances. All items should be kept in good repair or replaced as needed. Other guidelines for uniforms are:

- Please label all articles of clothing.
- No licensed characters are permitted on any apparel item, shoe, lunchbox, or backpack worn or brought to school.
- Uniforms may be purchased at Lands' End (**Preferred School # 900135732**) or at Donald's Uniforms in Saint Paul. Our monogram may be added to any top, vest or fleece through these vendors.
- Black or khaki shorts ***to the knee*** are permitted for both boys and girls on regular uniform days from the start of school in August to October 15th and April 15th to the end of the school year in May.

Children's House Clothing: Children must be toilet trained prior to entering school, but sometimes accidents do happen. Every child needs to have a complete change of clothes stored at school. If an accident happens, the spare change of clothing will need to be washed and returned promptly. Clothing should be easy for the child to manage himself/herself so that he/she becomes independent and uses the toilet with a minimum of frustration. Please be sure that your child wears clothing that is completely washable. It helps the staff a great deal if **all sweaters, coats, boots, shoes, hats and other outerwear are labeled with the child's name.** It is difficult to remember who wore what and even more difficult if things are left behind. We ask that you send a pair of appropriate black indoor shoes that can be left at school. These must have support around the heel and non-slip soles, as the tile floor can be slippery. Please repair or replace clothing and indoor shoes when necessary.

If possible, try to allow time for your child to dress himself/herself prior to departing for school. This promotes independence. Encourage your child to lay out clothes the night before on a table or chair, thus teaching your child a good lesson in responsibility. It is difficult and frustrating sometimes for parents to allow time for their child to dress himself/herself, especially if the child happens to dawdle. Hopefully, this approach will keep that frustration to a minimum.

Outdoor Apparel: Your child will have outdoor playtime unless it is raining, temperature is below 10 degrees, or the wind-chill factor is below zero. Children should have the appropriate outerwear including head covering, mittens, snow pants and boots when it is cold or snowy. If your child is too ill to be outside, he/she is too ill for school.
